

8th International Lean Digital Summit

7-8 October 2019, Paris

Get inspiration from IT leaders who succeed thanks to Lean Thinking

Since 2011, the Lean Digital Summit gathers Lean senseis, agile experts and IT professionals who transform their IT with Lean.

What to expect? Learning, networking, practice and inspiration from CIOs, CTOs, Head of Customer Success, managers, web developers, Lean IT coaches and authors who will share their experience of Lean applied to IT operations and projects.

Who should attend? IT managers and execs in IT services, start-ups, IT departments of all sizes, Lean and continuous improvement leaders, change agents, Lean project leaders...

Practical information

- The Summit will be held in the center of Paris, at Espace Saint Martin, 199 bis rue Saint Martin, Paris 3e.
- The talks in the Auditorium will be translated into French/ English.
- The conference cost is 1,200€ per person. 20% discount for groups of 3 and up.

All details on the speakers and their talks are available on the website www.lean-digital-summit.com
